

OAKVIEW

ELEMENTARY SCHOOL

Good Morning Oakview Families,

I would like to take this opportunity to introduce myself as the new principal of Oakview Elementary School. I am humbled, honored, and excited to lead a school community with such great teachers, parents, and students. As parents, you play a crucial role in the education of your child and I believe that your support and input are essential in helping us achieve that mission.

I have been dedicated to the field of education for the past fourteen years, with thirteen of those years being in the West Deptford School District. I began my career as a teacher in Greenfield's Elementary School and then transitioned to West Deptford Middle School as a Math teacher. It was a pleasure serving as the Assistant Principal of Curriculum and Instruction at West Deptford Middle School for the past four years. I am excited to bring my skills as an educational leader to Oakview Elementary School and to work with you as a partner in your child's education.

Along with our amazing staff, I will work diligently to continue the success established at Oakview by building strong relationships with all stakeholders and providing ongoing communication regarding your child's education. Please do not hesitate to contact me with any questions, concerns or ideas that you would like to share.

Sincerely,

Laura Sandy
Oakview Elementary Principal
